RAPTIS® R-T6X

PREMIUM UHP | ALL-SEASON
CUV | SUV

Meet the **next-generation** all-season UHP Tire.

We've just upped the ante on performance with the newly repositioned and expanded Raptis series. Not only have we improved several key performance attributes over the previous Raptis R-T5, but we've also made it available in two separate product lines—across 55 SKUs—to better meet the needs of today's growing UHP market. And, as always, our powerful performance promise, including an enhanced mileage warranty, ensures you can recommend Raptis to more of your customers confidently and without risk.

BY THE NUMBERS

RAPTIS R-T6

- ◆ Number of Sizes: 47
- ◆ Diameters: 16" to 20"
- ◆ 500 AA A UTQG rating
- ◆ 50,000 mileage warranty

RAPTIS R-T6X

- ◆ Number of Sizes: 8
- ◆ Diameters: 19" to 20"
- ◆ 600 A A UTQG rating
- ◆ 60,000 mileage warranty

R-T6 PASSENGER | SPORT SEDAN

HIGH PERFORMANCE HAS A NEW NUMBER

Welcome to the next generation in high performance with the Hercules **Raptis R-T6**. Taking feedback from our customers, we leveraged advanced technologies and elevated engineering to improve upon our popular Raptis R-T5 platform, delivering enhanced ride comfort, greater winter performance and superior safety for today's passenger cars and sport sedans.

R-T6X CUV | SUV

THE X FACTOR

Who says sports car drivers should have all the fun? Meet the **Raptis R-T6X**. We've expanded our popular Raptis line to now include this purpose-built, ultra-high performance specifically engineered for today's popular Crossover CUVs drivers to deliver a quieter ride, superior handling, and controlled performance.

DOUBLE THE COVERAGE. TWICE THE OPPORTUNITY.

Today's high-performance vehicles are evolving. Crossover CUVs and luxury SUVs are joining muscle cars and sports sedans in the parade of popular performance vehicles on the road today. Our improved and expanded Raptis series was made to meet this opportunity head on, providing the perfect mix of value, performance and confidence your customers are looking for, **no matter their vehicle of choice.**

RAPTIS® R-T6

RAPTIS® R-T6X

Features and Benefits

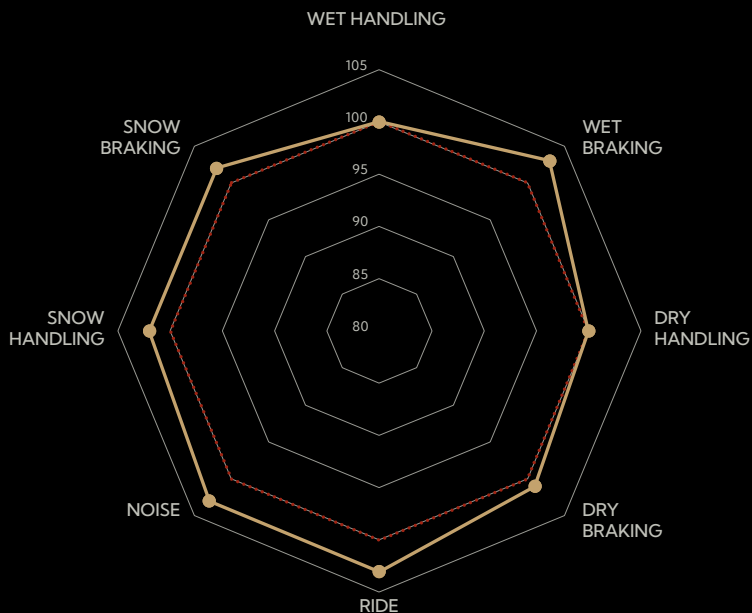

- 1 Advanced Silica Compound** - Ensures balanced wet and snow performance
- 2 Increased Contact Patch** - Improves dry grip performance and overall tread life
- 3 Tie-Bars** - Enhances shoulder stiffness for improved handling performance
- 4 CoolCourse Temperature Control System** - Dissipates heat to prevent breakdown and increase tire life*
- 5 Strategically Placed Ridges** - Disperse water more quickly for better handling on wet surface
- 6 3D Sipes** - Minimize tread block movement for greater control when braking and tighter cornering

* Temperature control system only featured on the Raptis R-T6X.

BETTER, ALL THE WAY AROUND

We listened to your feedback and improved upon our Raptis offering across the board, equipping the R-T6 and R-T6X with key technological advancements. We then put them to the test, measuring their performance over their predecessor across critical categories.

..... Raptis R-T5
—●— Raptis R-T6

PERFORMANCE THAT FITS

With a broad portfolio of tires, the expanded Raptis series has fitments to fit a broader range of today's popular passenger, crossover and SUV performance vehicles, giving you more ways to hit your numbers.

(POPULAR FITMENTS, NOT LIMITED TO...)
